Basic quattro IS

Sandblasting unit with immediate stop technology

Controlled and exact sandblasting of finely detailed objects thanks to integrated quick stop technology ‚IS‘ (Immediate Stop) ■ Precise and reliable processing at best possible cost effectiveness with the special mixing chamber technology ■ Quick and safe operation due to exact pressure adjustment and control of actual pressure for every tank

Basic quattro IS,
1 x 25 – 70 µm,
1 x 70 – 250 µm,
Art. No. 2959 0000
Regular price: € 1.777,-

€ 1.499,-

 **K.A.Rasmussen**

Offer valid from 01.09. till 14.12.2018

Basic master

Fine sandblasting unit with 2 tanks

Precise blasting with the special mixing chamber technology (Venturi principle) ■ Large volume blasting chamber provides maximum freedom of movement ■ Ventilation slots ensure optimal ventilation of the blasting chamber and a clear view (PerfectView-Concept)

Basic master
1 x 25 – 70 µm,
1 x 70 – 250 µm,
Art. No. 2948 2025
Regular price: € 1.155,-

€ 980,-

Basic classic

Fine sandblasting unit with 2 tanks

Precise blasting with the special mixing chamber technology (Venturi principle) ■ Efficient working thanks to the tank selection switch inside the sandblasting chamber ■ Its slim design ensures that it can be operated in the smallest space

Basic classic,
1 x 25 – 70 µm,
1 x 70 – 250 µm,
Art. No. 2947 2025
Regular price: € 960,-

€ 820,-

Basic eco

Fine sandblasting unit with 2 tanks

Maximum field of vision thanks to a large viewing panel with innovative LED lighting ■ Process reliability based on many years of experience in dental sandblasting technology ■ Saving in abrasives using optimal air-abrasive mixture

Basic eco
1 x 25 – 70 µm,
1 x 70 – 250 µm,
Art. No. 2949 2025
Regular price: € 888,-

€ 740,-

Vortex compact 3L

Device extraction unit

Health protection due to double filter system, optional H/Hepa filter available ■ 25% increase of the filter capacity at the push of a button with free filter system ■ Virtually dust-free disposal of collected dust by means of extremely tear-resistant, large filter bags (15 l)

Vortex compact 3L,
Art. No. 2924 5000
Regular price: € 599,-

€ 499,-

Order at your participating dealer today:
www.renfert.com/dealers

Renfert

SILENT compact

Single workbench extraction

No follow-up costs due to bag-free dust collection ■ Low operating noise of max. 56.9 dB(A) ■ 1 000 operating hours guaranteed with the suction turbine due to innovative transformer control

SILENT compact,
Art. No. 2934 0000
Regular price: € 1.080,-

€ 899,-

SILENT TS

Single workbench extraction

Low operating noise of max. 56.3 dB/A ■ 1 000 operating hours guaranteed with the suction turbine due to innovative transformer control ■ High level of health protection due to double filter system, optional H/HEPA filter available

SILENT TS,
Art. No. 2921 0050
Regular price: € 1.550,-

€ 1.290,-

SILENT EC2

Two workbench extraction

Secure production process through low-maintenance EC motor technology (> 5 000 operating hours) ■ Consistant suction power thanks to automatic re-adjustment ■ Low operating noise of max. 55 dB (A)

SILENT EC2
Art. No. 2937 0000
Regular price: € 2.640,-

€ 2.200,-

Twister

Vacuum mixing unit

Reliable processing of large amounts due to high speed mixing ■ Easy and fast programming and operation using a large, highly luminous display ■ The vacuum, which can be regulated from 70% to 100%, prevents bubbles

Twister
incl. 500 ml bowl
and mixing paddle,
Art. No. 1826 0000
+ in addition: 500 ml bowl
Art. No. 1820 0520
Regular price: € 1.206,-

€ 999,-

Vibrax

Vibrator

Bubble-free flow behavior using two wave ranges with 4 levels of intensity ■ Reduced transfer of the vibrations to the workbench as the housing is oscillation decoupled ■ Long service life using maintenance-free vibration magnet

Vibrax,
Art. No. 1830 0000
Regular price: € 493,-

€ 419,-

MT3

Wet trimmer

Quick change of the trimmer table angle using the practical tipping mechanism (90°/ 98°) ■ Safety: when the front door is opened a safety switch stops the motor and water ■ Uniform coverage by the optimally positioned spray tube prevents clogging of the trimmer disc

MT3
incl. Klettfix
trimmer disc,
Art. No. 1808 0000
Regular price: € 699,-

€ 595,-

WORKFLOW GUARANTEE

3 year guarantee
10 year spare parts service
Activity guarantee

The following service performances apply
when purchasing Renfert units.

Applies only to participating dealers. Changes, errors and misprints
under reserve. Available while supplies last. Retail prices incl. VAT.

Renfert

AUTO spin

Pin drilling unit

NEW

Time and cost saving due to reduced use of dental plaster ■ Safe positioning and alignment in challenging impression situations due to the innovative Renfert Level Controller ■ Flexible use for almost any plate geometry due to the universal plate holder with secure double fixation

AUTO spin, Art. No. 1860 0000

+ AUTO spin accessories:

Base plate comfort (set/100 pcs.),

Art. No. 1860 0200

Secondary plate (set/50 pcs.),

Art. No. 1860 0300

Silicone putty (1 kg),

Art. No. 1860 0400

Cone pin (1 000 pcs.),

Art. No. 369 2000

Regular price: € 1.950,-

€ 1.650,-

Waxlectric II

Electric wax knife

Temperature setting to a precise degree ensures controlled working processes ■ Direct access of preferred working temperatures using the programming function ■ Fast heat-up rate and low heat transfer to the handle thanks to the heating element integrated in the tip

Waxlectric II, Art. No. 2157 0000

+ modeling waxes in addition:

GEO Crowax beige-opaque (80 g), Art. No. 475 0400

GEO Crowax gray-opaque (80 g), Art. No. 475 0500

GEO Crowax Cervical and undercut wax, red-transparent (80 g),

Art. No. 475 0600

Regular price: € 395,-

€ 329,-

Genius

Natural bristle brush with protective function

Brush hair has a long service life due to an innovative protective function ■ Slim tip shape due to the high quality brush hair ■ Especially economical due to easily interchangeable brush inserts

Genius set
with 4 brush sizes (2, 4, 6, 8),
Art. No. 1715 0000
+ in addition:
lay:art crystal aqua s mixing tray
Art. No. 1043 2500
Regular price: € 165,-

€ 139,-

lay:art color

Glazed ceramic tray for stains

Versatile use thanks to 13 drop-shaped, 2 large and 4 small round wells as well as a smooth mixing surface ■ Newly developed drop shape: sharp-edged at the back for wiping the brush, tapering at the front to allow controlled dispensing of the stain on the brush surface

lay:art color,
Art. No. 1047 0000
+ in addition:
Ceramicus
staining brush set,
Art. No. 1703 0000
Regular price: € 86,-

€ 72,-

Order at your participating dealer today:
www.renfert.com/dealers

Renfert

lay:art crystal aqua xl

Mixing tray with moistening strips

Gentle for the brush and completely abrasion free using float glass ■ Homogeneous moistening and consistency of the porcelain thanks to dimensionally stable and durable moistening strips

lay:art crystal aqua xl,
Art. No. 1043 1500
+ in addition:
Agata spatula,
Art. No. 1157 0000
Regular price: € 99,-

€ 84,-

Renfert Polish

Diamond ceramic polishing pastes

Renfert Polish all-in-one: for polishing veneering porcelain, hybrid ceramics, high performance resin; as well as for zirconium oxide and lithium disilicate ■ **Renfert Polish ZrO₂:** diamond granulation especially suited for zirconium oxide ■ **Renfert Polish LiSi₂:** diamond granulation especially suited for lithium-disilicate

Renfert Polish all-in-one, 10 g,
Art. No. 510 0000
or Renfert Polish ZrO₂, 10 g,
Art. No. 510 1000
or Renfert Polish LiSi₂, 10 g,
Art. No. 510 2000
Regular price: € 30,-

€ 25,-

Bison
polishing brushes
for a powerful and quick
high-lustre polish on
alloys, porcelain and acrylic
facings, mounted,
Ø 18 mm, 100 pcs.,
Art. No. 766 1100
Regular price: € 107,-

€ 89,-

Silicone polishers
for pre-polishing
porcelain and metal,
Ø 22 mm, 100 pcs.,
Art. No. 86 0000
Regular price: € 76,-

€ 64,-

Cotton buffs
for high-luster polish on
acrylic teeth and facings
using the handpiece
Ø 22 mm, 12 pcs.,
Art. No. 205 1000
Regular price: € 28,-

€ 23,-

Dynex

Separating and grinding discs

Dynex Brillant: Flexible diamond grinding and separating discs with glass fiber reinforcement, created for cutting, separating and trimming porcelain, zirconium oxide and lithium disilicate ■ **Dynex Titanium:** Flexible and robust glass fiber reinforced separating and grinding discs especially created for implant super structures such as abutments, bars and frameworks made of titanium or titanium alloys ■ **Dynex:** Flexible and robust, doubly glass fiber reinforced separating and grinding discs for metal alloys

Description	Application	Art. No.	Diam.	Thickness	Pieces	Reg. price	Special price

die:master set

Die varnish

Durable die varnishes with three layer thicknesses (13, 15 and 20 µm) ■ Fast and clear access to all system components thanks to the set stand ■ A high degree of working comfort due to the integrated isolating brush with magnetic fixture

die:master set
silver/gold (13 µm),
Art. No. 1956 1000

or
die:master set
red (15 µm),
Art. No. 1956 0800

or
die:master set
blue (20 µm),
Art. No. 1956 0900

Regular price: € 47,90

€ 39,90

Content: 1x stand, 2x die:master varnish,
1x die:master thinner, 1x die:master duo,
1x picosep, 1x brush

die:master set ivory

Die varnish

Especially suited for full ceramic restorations ■ Extremely resistant tooth colored die varnish (Vita® Shade A2/B2) ■ Layer thickness: 10 µm

die:master set ivory,
Art. No. 1957 1000
Regular price: € 47,90

€ 39,90

Content: 1x stand, 2x die:master ivory,
1x die:master thinner, 1x die:master duo,
1x picosep, 1x brush
